From the Calendar sent by the President of the Committee of Enquiry it will be seen that there were sixteen sittings for recording evidence & hearing arguments.

In regard to the rate per day claimed by the Govt Advocate, that is a matter for consideration now. The usual rate is Rs 25 per day but a higher sum has been allowed on special occasions.

In the Guru Rao murder case of Kadur Dt, the Govt Advocate was paid Rs 75/- per day in view of the difficulty & intricacy of the case, & of the fact that the prosecution had to be conducted at Chikmagalur.

In important cases a fee of Rs 50/- a day has been sanctioned previously not only to the Govt Advocate but also to other Advocates in Mysore who had not to leave their station. Please see para 4 of P2 of the Collection put up.

In the present case, the enquiry was held in the mornings & the

BANGALORE.

SIR, 31/10

With reference to Government Order No. 434-39/C. B. 29-23 dated the 13th August 1923, I have the honor to forward herewith for the sanction of Government, a Bill for Rs. 1,600/-only being my remuneration for professional services rendered on behalf of Government in the enquiry held before the Commissioners appointed to investigate and report on the nature and extent of the irregularities committed in connection with the execution of the Sixth Installation work at Sivasamudram.

Though the proceedings proper before the Commission, consisting of the examination of witnesses and parties and the arguments took 16 days, very much more time and trouble was actually involved in the matter. The study of the records, consisting of the evidence of the witnesses examined by Mr. K. S. Iyer, the various exhibits filed, his reports to Government and the explanations given by the several officers concerned, took several days. To have an idea of the locality, I had to go to Sivasamudram along with Mr. Forbes and the Commissioners, and I had to set apart two days for this work. I had also to meet the Commissioners on one or two occasions before the enquiry was actually started for settling the issues and details as to ~~how~~ the procedure to be adopted. In addition to this, I had also to send for and examine several Woddar and other contractors who did excavation work during the period in question.

question, with a view to ascertain if any further materials were available and this again meant much time and trouble. But, in preparing the bill, however, I have not charged for all this extra work and I have confined it only to the work done before the Commission after the commencement of the regular enquiry.

I have the honor to be,

Sir,

Your most obedient servant,

Government Advocate.
